## Club Nights

Ladies and Gentlemen, the Thames Club night is a growing phenomenon, so come down and grab yourself a beer to see for yourself if you haven't done so already.

Maps have gone this issue to make room for business adverts, of which I hope we get more of. If you still need help getting there after two issues of a step by step guide, then finding your way through sections must be challenging!

If you have a Sat Nav, use postcode KT15 1AT

## Secretaries Scribbles

Many thanks to all of you that supported the trial at Sethern in July and to those who made donations, it was agreed by the committee that the profits from the trial would be donated to Cancer Research UK Relay for Life appeal.

I managed to raise £500 to donate to the appeal and in total the team from St Helens College raised £11,000; an excellent effort. I took part in the event which started at 11.00am on Saturday 3<sup>rd</sup> in Harrow and teams walked in relays for 24 hours, my first few laps were round the running track and the last four round the sections at Dunsfold.

I also attended the 'Candle of Hope' ceremony which takes place at dusk on Saturday evening, this is a very moving as you can dedicate candles to loved ones lost or as an encouragement to battle this horrible disease. The trial was very enjoyable, it's good to ride at Roy's in the dry as it can be a nightmare when it's wet.

There was then a long gap to the next trial at Bentworth, when we had a lunchtime BBQ, kindly cooked by Cathy Ward; many thanks to her. Sadly the weather was not kind to us and it rained for most of the day, the sections held up well apart from the first two which were very slippery in the end.

Thanks to everyone that supported by helping or riding the Suzette Farmer Trial, our Star Group round at Betchworth on 9<sup>th</sup> October, after early morning rain the warm weather soon dried the sections and a good days riding was had by all. The Cannom and Farmer families made a great effort to ensure that everyone had an enjoyable day, Karen's fresh egg sandwiches were superb!! Looking forward our next club round is at Brackendene on 30<sup>th</sup> October, the day after the clocks go back; then the final round at Bagshot South on 27<sup>th</sup> November. Our final trial is the Mike Kemp on 18<sup>th</sup> December at Hungry Hill which is for Pre 67 and twinshock machines, so drag all of those old bikes out of the shed to ride; I am looking for observers for that day so those with modern bikes only please help out.

Paul Sims has recently had a knee replacement operation; which was successful and is recovering at home, nursed by his lovely wife Mary, good to see him out at Betchworth doing the sec's job.

The AGM will take place this year on **Thursday 1<sup>st</sup> December at 8.30pm**, please make every effort to attend so you can have an input into how the club is run. We will also try to talk dates at the November meeting to which everyone is welcome to attend.

Happy Riding

### Comedy Corner

I've just had a letter back from Screwfix.

They said they felt obliged to inform me that they're not actually a dating agency.

Went for my routine check up today and everything seemed to be going fine until he stuck his index finger up my bottom !

Do you think I should change dentists?

Pete Haines cleaned up at the seventh round of the Thames Club championship at Sethern, Dunsfold to win the Over 50 class from Paul Pearson and Paul Pidgeon. The dry course and hot weather proved ideal for a quick event and everything was done and dusted by 2.00pm for the 4 laps of 10 sections laid out by Steve Austin, Mark Mills and Keith Teare.

Kev Nolan was the winner of the expert class on his twin shocker from Darren Haines and Jim Howell. Kev was best at Section 4 up and down the banks of a deep gully and over a fallen tree. Reynard Norris was also faultless in the inter class followed home by Tom Horsburgh and Nigel Hains. The bogey section for Tom & Nigel was section 7 swooping up and down the dry bank. Riding the same route Simon Dowling was victorious in the Over 40 class from Stuart Hammond and Dave Beckett, nice feet ups from Simon through section 6 down and up the steep sides of the valley and jumping over a fallen tree.

Close tussle for honours in the novice class with Chris Hendry topping out from Steve Austin and Peter Steer, Chris aced section 8 dropping into a bombhole and a steep climb out between trees.

The Over 65 class made up the biggest class of the day and there was a close tussle for honours with Derek Cranfield taking the win by a dab from Ray Broughton with Jim Scott a further 2 dabs behind in third, feet ups from Derek at section 10 dropping down a steep bank twisting around the trees with the exit up over rocks. Richard Thompson was best wobbler from Rupert Kemp and Les Starrs, Richard was inch perfect at the difficult section 8.
