The club always welcomes members to come forward and help out with various things to do with running the club and trials. All too often it is the same people that help out to run our 12 trials a year. A classic example is the last trial just gone; the Mike Kemp Trial. Only two people were involved laying the course out along with Bob and Paul doing the admin and a dedicated gathering of observers.

With the new non-stop rules coming into force for 2012, even volunteers to observe at the club rounds would be hugely appreciated. Massive thanks to those who already do their bit, you know who you are.

## YOUR CLUB NEED'S YOU!

Well to make way for my club help propaganda poster, the business adverts have been removed. I will be happy to include these again for the next issue if you are interested and you run your own business or know of one that would be of benefit being in here. The last two issues have had the same adverts, so it seems that it is not that popular. Please get in touch if you are otherwise the space will be filled with some other crap!

### Club Nights

Ladies and Gentlemen, the Thames Club night is a growing phenomenon, so come down and grab yourself a beer to see for yourself if you haven't done so already.

Check out previous issue's to see instructions on how to get there or if you have a Sat Nav, use postcode KT15 1AT

### Secretaries Scribbles

At the recent Annual General Meeting, I was re-elected as Club Secretary although I would be happy to stand down if there is anybody willing to take the club forward; please see attached minutes for details of the meeting. We were unable to find a replacement at the AGM but I am delighted to say that Jeff Morgan has stepped forward to take on the job as Treasurer. It will take a bit of time to transfer responsibilities so please bear with us whilst this happens. We are still looking for someone to represent us at Star Group and/or South East Centre Trials Combine meetings, if this appeals to you please let me know.

At the meeting the dates for 2012 were discussed and principal officials nominated, the club championship starts on the first day of the year, so if you fancy a ride on New Year's Day please support our trial. If you can help with setting out any of our trials, or with observing at our Open trials; please let any of us know. Simon Ward, has been hard at work booking the land for these trials and all land is provisionally booked, MOD land requires rubber stamping. There may be some changes to these proposed dates or venues so please watch for the latest advice in the newsletter, website or TMX.

You should have received your club membership application form, please complete it and return to Paul; please include your email address on the membership form and also agree to receive your newsletter via email as it means less licking and sticking for Mark Ward!! You will need to renew your ACU trials registration direct to Rugby along with Parental Consent which has to be hard copy of parent's signature – where applicable (you will receive a unique number from Paul to include on your form when you renew your club membership), thanks to those of you who have already renewed either or both of these.

Don't forget the Star group Trials take place on the second Sunday of each month (except November, when it is the first Sunday) please help the club to retain the Championship by entering these trials in advance. Our Presentation Evening takes place on **Monday 6th February** at the Harehill Social Club, Rudge Rise, Addlestone, please make every effort to attend even if you have not won an award; **Simon or I need to know if you are coming to organise the catering numbers.**

May I, on behalf of the committee, wish you an enjoyable Festive Season, hope to see you on 1st January.

Happy Riding

Bob

### Comedy Corner

Sat opposite an Indian lady on the train today, she shut her eyes and stopped breathing. I thought she was dead, until I saw the red spot on her forehead and realised she was just on standby.

With thanks to Nigel Hains for his Clerk of the Course duties and to Jon Yendell and Bob Brown for helping him to set out the course...

...to Paul Sims for stewarding and renewing club memberships.

To Paul Lecoq, Adrian Slaughter, Peter Steer, Jim Howell, Jon Yendell, Bob Brown, Simon & Mark Ward for helping to clear down the course in double quick time.

Big thanks to Simon Ward for all his efforts to book the land and the associated paperwork needed to cut through the red tape to enable us to ride at this splendid venue.

Thank you to Martin Kemp and Simon Ward for plotting out an enjoyable course. Also to Bob Brown and Paul Sims for secretarial duties. As always, this event would not be possible without all the observers who volunteered to give up their day.

Peter Steer will get first aider of the year award for attending to Joan Westbrooke who cut her pinky badly on his section. She had to go to hospital for stitches and it was X-rayed once the swelling had reduced and she has a broken knuckle, we all wish her a speedy recovery

We hope to see everyone back for the 2012 rounds

**MINUTES OF THE THAMES MCC ANNUAL GENERAL MEETING**  
**1st DECEMBER 2011**

**Present:** Steve Austin, Roger Davy, Martin Kemp, Rupert Kemp, Paul Sims, Simon Ward, Mark Ward, Stephen Trask, Jeff Morgan, Jon Yendell, Keith Cannom, Frazer Cannom, Steve Farmer, Lewis Farmer  
Bob Brown

It was agreed that as a gesture of thanks to those attending that refreshments would be provided by the club.

The Club Chairman Steve Austin opened the meeting at 9.10pm

1. **Apologies for absence** were received from Brian Cohen, Dennis Moody
2. **Minutes of the last AGM held on 7<sup>th</sup> December 2010:** The minutes had been circulated after the meeting Jeff Morgan proposed that they were adopted, seconded by Nigel Hains and signed by the Chairman.
3. **Matters Arising:** There were no matters arising that would not be covered by the agenda items.
4. **Club Secretary's Report from Bob Brown:** Bob said that he would like to thank the committee and everyone that had supported the club by officiating and riding in the club's 11 trials since last AGM, despite the recession entries for club trials continue to increase (52 to 48 last year) but he would like to see more support from club members at trials, most times we have to rely on day members to help us break even. The Mike Kemp Trial at Hungry Hill had to be postponed due to bad weather, attempts to stage a rerun in February failed to materialise as the venue was unavailable. The Suzette Farmer trial in October had a reduced entry from the previous year but it was the family's wish that it was held at Quarry Trials, the entry of 63 was just manageable due to parking restrictions. Thanks to Brian Cohen who has continued to manage the club's website posting entry forms, results and other information very promptly. We held a successful Presentation Evening in February and thanks to Martin for arranging the trophies and the Ward family for their help during the evening. Simon also arranged a stand at the Southern Classic show at Kempton Park which attracted a lot of interest in the bikes and a couple of new members, bonus for us was the purchase of a new banner.
5. **Treasurer's Report from Roger Davy:** Roger reported that the club funds had increased during the year and that the club was financially stable, with money in both deposit and current accounts. He had decided to retire from trials and also from the Treasurer's job at the end of the year; he was thanked for his long service.
6. **News Editor's Report from Mark Ward:** Mark reported that he had produced 4 editions since the last AGM, 3 during 2011 and apologised that the last issue was late in being distributed owing to work commitments.

8. **Star Group Report from Roger Davy:** Roger reported that the club won the club championship in 2010 and are currently leading the Championship by 38 points from Tongham and will retain the trophy. In general entries from club members were down on last year but Nigel Hains, Peter Steer and Pete Haines, currently lead their respective classes. The group had ceased to hold monthly meetings on the last Tuesday of the month as the venue had closed down, there seemed to be a down turn of interest in entering the trials. There are 11 trials planned for 2012 with none planned for August.
9. **Recorder & Award Secretary's Report from Martin Kemp:** Martin reported that he would order the trophies from Top Trophies North once the Mike Kemp trial had taken place, so that he could arrange all 2011 awards on one order. It was agreed to hold a Presentation evening on Monday 6<sup>th</sup> February and Simon would book the main hall.

Bob apologised for this but added that due to the ACU changing their registration renewal procedure, he thought it best that we start our renewals as soon as possible.

15. **Any Other Business:**  
 There was some discussion regarding the general trend towards Non Stop Trials as the Centre Championship trials would adopting this method of marking, it was agreed that we would also adopt this for all 2012 trials. This is defined as Trials Supplementary Regulation 22B on Pages 196/197 of the current handbook. Trials would be laid out with more flowing sections to allow for the new regulation.  
 Mark Ward suggested that we introduce a 50/50 route for those riders trying to move up from Inter to Expert status as the step up was too great, many had tried this year and had heavy loses at trials. It was agreed that this would be introduced for 2012 with odd number sections being ridden on the inter route and even number sections being ridden on the expert route, course plotters would not need to make any special allowances for this.  
 Simon Ward agreed to produce a sign showing that we sponsor and observe a section at the Surrey Youth Trials at Brackendene when we are attending, this would help advertise us to potential members at youth level.  
 Surrey Youth and Surrey Schoolboy were celebrating 40 years of trials at Brackendene in 2012 and were planning special events, there is a planning application being put forward to improve the venue.  
 Steve Austin was concerned about creative marking at trials and it was agreed that all committee members be vigilant at trials and that it is stressed at the briefing that 'YOU WILL BE WATCHED!'.
16. **Close:** The Chairman closed the meeting at 10.45 pm and thanked everyone for attending.
