With thanks to Dean Morton and Paul Sims for plotting and testing the course on Saturday, to Dean for being Clerk of the Course and Paul for Stewarding on Sunday.

Thanks to Mario Nicholas, Peter Steer, Jeff Morgan, Nigel Hains and Simon Ward for collecting up the markers and sorting out along with help from Dean and Paul.

Thanks to Julian Ide for the use of his land at Knightons, the club has been welcomed back at any time.

The next club championship round is planned for Sunday 3rd May at Bagshot South but we are still awaiting the licence from the MoD to allow us to run this trial, please keep watching the TMX or club website for further information.

Thanks to those few club memebrs that supported the trial, the rest missed an excellent day!

Secretary of the Meeting: Bob Brown
