Thanks to Jim and James Connor for setting out the sections on Saturday and to Frazer Cannom, Keith Teare, Paul Sims, Steve Wells, Gordon Adsett and Chris Hendry for dismantling the course.

Thanks to Paul Sims for stewarding and bringing the toilet facilities.

Many thanks to Mike Ellis for the use of his land at Ridge Farm for the trial

The club was very disappointed with the low turn out of members for the trial at this excellent venue, a yellow route course was set for the less able riders but non entered!

Would non attending members please advise if they would support another trial at this venue next year, this will assist the committee when fixing dates/venues at the AGM.

Remember it takes the same effort to set a course for 22 as for 60!

The awards were presented prior to the trial and Jim Connor now has the remaining awards available for collection, please contact him on 01483 285727 to arrange collection
