IN MEMORY

The trial is held in memory of the late Mike Kemp, who's passion for classic trial was legendary and lives on to this day through his son Martin, who runs the trial with passion every year in his dad's memory.

Very early in late 2023, Martin's younger brother Rupert unexpectedly passed away. Rupert loved to support Martin at this trial, always sitting next to the starter position, ready to go and help in his memory. As the fellow wrote in their son's 'Grady book' as the 'Rupert Book'.
