IN MEMORY

The trial is held in memory of the late Mike Kemp, who’s passion for classic bikes was legendary and lives on to this day through his son Martin, who runs the trial with passion every year in his dad’s memory.

Very sadly in late 2022, Martins younger brother Rupert unexpectedly passed away. Rupert loved to support Martin at this trial, always setting out the easier yellow route every year and in his memory, the yellow route is since now fondly known as the “Rupert Route”.

FINAL INSTRUCTIONS

MOD LAND: The trial is being held on MOD land and as such there are a number of restrictions imposed on the club that need to be strictly adhered to for the trial to run smoothly and so as not to jeopardise future use of the land. This is a tobacco free zone – no smoking or chewing.

Please follow the instructions given by the officials.

CAR PARKING: IMPORTANT

The MOD strictly require the entrance gate to be secured at all times during the event.

Please be aware that the gate therefore will only be accessible at the following times;

- The gate will open between 8.30am and 10.15am. **Please do not arrive before 8.30am** and **please** do not queue for entry as the entrance to Hungry Hill is located on a dangerous blind bend on a fast road.
- The gate will be locked at 10.15am, after which you will not be granted entry, so don't be late.
- The gate will be opened between 12.00pm and 12.30pm to allow any spectators or competitors not wishing to stay the full day to exit. The gate will then be locked at 12.30 until opened for everyone's exit at the end of the day.
- The gate will open for exit between 3pm and 4.30pm.
- The secretary of the meeting will be contactable by phone (07779 709801) throughout the day but this should only be in the event that access/egress is required in the event of an emergency.

If you have friends travelling to watch/support you, then please make sure they are aware of this restriction.

MACHINE EXAMINING: It is your responsibility to ensure your machine is suitable and proper for the purpose.

SIGNING ON: Please report to the SoM on arrival to collect your riding number and sign on. Signing on will be between **8.30 and 9.45 am**.

RIDERS BRIEFING: There will be a rider briefing at **10am prompt** near the signing on gazebo.

Please be ready in good time with **engines off**. The trial cannot start until everyone has been briefed.

You are welcome to have a warmup practice beforehand but please watch the time and be sure to be at the start ahead of 10am please. Please don't be that guy who rides up mid-briefing, so folks can't hear Martin!!.

START ORDER: Riders are requested to start at the section of your last number. If you want to ride together that's fine but please try and start on a section that's not busy.

COURSE: 3 Laps of 12 Sections with 3 routes. No Road Work.

MARKING: TSR22B (Non Stop). The furthest clean tie breaker will not be used.

CATERING: Naughty but Nice will be on site for your refreshments, please make use of their facilities.

There will be no official break for refreshments and so please be mindful of the shortened daylight hours if you do stop. We aim to close the sections at 3pm.

LITTER: Please take all your litter home with you. Staged in accordance with the ACU Environmental Code.

TOILET FACILITIES: Toilets will be provided at the start area.

EMERGENCY INFORMATION: Nearest Accident and Emergency Hospital is;

Frimley Park Hospital, Portsmouth Road, Camberley, Surrey GU16 5UJ (01276 604604)

Police at Aldershot (0845 045 45 45) or dial 101
